

# HIRING INDIGENOUS GRADUATES AND STUDENTS

At Health Canada  
First Nations and Inuit Health Branch  
– Quebec Region

Health Canada is recruiting **First Nations, Inuit** and **Métis** interested in gaining experience and taking on exciting challenges in a dynamic and stimulating environment.

Fields include **administration, finance, customer service, nursing, environmental and public health** and **policy**.

**Based on your experience and background, you may be offered to work as:**

- Administrative Assistant
- Administrative Officer
- Program Officer
- Community Liaison Officer
- Financial Analyst
- Environmental Health Officer
- Policy Analyst
- Business Analyst
- Manager
- Nurse
- Dental Hygienist
- Epidemiologist

Positions are located in Montreal.

## How to apply?

**Full-time student**, if you are interested in a summer or part-time job, apply online at the **Federal Student Work Experience Program (FSWEP)**.

**College or university graduate or with work experience**, apply online at the **Post-secondary Recruitment** and/or **job offers at Health Canada**.

*Be sure to identify yourself as Indigenous when registering online.*

**You can contribute to promoting and protecting the health of First Nations and Inuit.**

An integral part of **Health Canada**, the **First Nations and Inuit Health Branch (FNIHB)** works with First Nations, Inuit, provincial and territorial partners to improve health outcomes, ensure quality health services and support greater control of the health system by Indigenous peoples.

**Kaya**,  
Inuk student at Concordia  
University working at  
Health Canada.
