Kanyen'kéha Speaker

*We recognize the importance for our young children to hear language from fluent, first language speakers.
Help us help our children nurture a love for Kanyen'kéha!*

Tsi Tyónnheht Onkwawén:na is seeking a fluent/highly proficient Kanyen'kéha speaker to work in our preschool program beginning September 2019. Ideally the candidate would be available for a 30-hour work week (6 hrs/day, 5 days/wk), however part-time employment (2-3 days/week) will be strongly considered. Accommodation and travel expenses can be negotiated with anyone from outside of Kenhtè:ke.

The position would work alongside the Teacher to provide a Kanyen'kéha speaking environment to the children and to reinforce the oral language of the second language speaking teacher.

This is **NOT** a teacher position, but rather someone with a love of young children and Kanyen'kéha.
